HOMECOMING WEEK

Homecoming Week a Success

Homecoming week was an absolute success this year. While we missed the parade and bonfire, it was great to gather on the football field as a student body and celebrate Railroader Nation. The week's activities ended with a thriller of a soccer game between the staff and the Senior class. The staff won, of course, in a penalty shootout with a perfectly struck ball by Mr. Gebo.

I was very impressed by the marching band as well. They sounded brilliant and were the extra sound of spirit that really energized the event. Bravo to Mrs. Clark and the students...the Ghostbusters Theme was a crowd favorite.

Events like the pep-rally are an extremely important event. While we are an academic institution, we are also a family. The ability for the staff and students to interact with each other in a non-traditional setting build relationships that transfer into the classroom. Being given the opportunity to laugh with each other makes our connections to our beloved school deeper.

I'm very proud that the students and staff who took advantage of this fun week and be on the lookout for more events being scheduled.

REPORT CARDS

The Circle 50

To ensure academic success, no student will receive a grade below 50 on the first Report Card.

We do this to make sure all students have a chance to earn credit; taking into consideration the added stress of beginning a new school year. Please know that I have asked the teachers to indicate the proper grade in the comment section if your student earns a 50%.
