

SEPTEMBER 2021

WEEKLY LETTER

Railroader Nation

COVID:

COVID POSITIVE VS. QUARANTINED

I want to assure everyone that we do not have 90 students who are COVID positive, that was a poor fated rumor. I can tell you that we do have many students who are quarantined; they are NOT COVID POSITIVE, but simply quarantined.

To keep your student off the contact tracing list, please provide a vaccination card. This will go a long way keeping your child in school.

Please bring the card to the main office and we will make a copy for our files.

The school cannot release your child from a quarantined list, only Washington County can do this. They will give you a printout with the proper date to return to school. Please make sure the school has this paperwork.

Please know the contact tracing team is short staffed. There is a delay (up to 5 days) before they may contact you.

What's happening at school:

**VACCINATION CLINIC:
SEPTEMBER 20TH**

**OPEN HOUSE:
OCTOBER 12TH (6-7)**

**HOMECOMMING:
OCT 18TH - 23RD**

We are planning events for Homecoming, but weighing our options,. At the moment, the parade and bonfire are in question. We are waiting to hear from the Department of Health. We will have events for the student body at school. This year Homecoming will be October 18th - October 23rd.
