To All Parents /Guardians:

I am pleased to announce the District has received a grant which will provide non-congregate summer meal service to interested students during the months of July and August. All students, regardless of income, are eligible to participate at no cost to the family.

Meals will be delivered to student residences or be assigned a pick up location on Monday and Wednesday. The deliveries on Monday will include two days and Wednesday will include three days' worth of breakfast and lunch. Meal deliveries will begin on July 7th and end August 20th.

If your family wishes to participate in the program, please complete the bottom section and return this letter to the school no later than June 16, 2025 or email Ryan Withrow at ryan.withrow@neric.org. Please complete only 1 request per household.

Additional details, including meal estimate drop off time, will be provided as soon as possible.

Sincerely,

Ryan Withrow
Food Service Director
