September 1, 2021

It is with regret that I inform you that Mrs. Hope Greene, Mr. Tom Baker and Mr. George Armstrong have stepped down from their Board of Education seats, Hope for personal reasons and Tom and George because they are moving away from our community. All three have been an invaluable support to the Whitehall Central School District. Their drive, determination and support for the students of Whitehall will be greatly missed.

The Board of Education has elected to encourage community members that have an interest in filling these seats until the election on May 17, 2022, to submit a letter of interest and resume to the district central office. All letters of interest must include the following: Why you would like to be a Board of Education member; what you see as the biggest challenge facing the Whitehall Central School District, and what you believe you have to offer the Whitehall Central School District that other applicants may not.

Interested candidates must submit their letters to Mrs. Heather Morcombe, District Clerk, no later than 12:00 noon on Friday, October 1, 2021. The Board will review applications in Executive Session the following week to select community members to fill the seats until the May 2022 election.

To qualify as Board of Education member in New York State one must:

- Be 18 years of age and citizen of the U.S.A
- Be able to read and write English
- Be a resident of the school district in which you are applying for one continuous year

I hope to see many interested individuals apply for this exciting opportunity to help our district continue to grow.

Best regards,

Patrick M. Dee
