

Please join us for a

PRE-CONSTRUCTION OPEN HOUSE

CHAMPLAIN HUDSON POWER EXPRESS PROJECT

Using proven technology and a fully-buried transmission line, CHPE will deliver renewable power to New York, aiding the transition to a cleaner energy grid, improving air quality, and providing millions in new county and school tax revenue, all while preserving Washington County's scenic landscapes and vistas. We hope to see you on the 13th to answer your questions and help you learn more about the project.

You can always reach us at:
(800) 991-CHPE (2473) or
publicoutreach@chpexpress.com

**Monday,
February 13**

between
6pm – 8pm

Whitehall Jr.- Sr. High School
87 Buckley Road
Whitehall, NY 12887
