## Meet & Greet

September 4th, 2018

5:30-6:30

Dear Parents and Guardians-

There will be a meet and greet for KINDERGARTEN students and their families on September 4th from 5:30-6:30 PM. This will be a great opportunity for the children to meet their teachers and classmates. We ask that you **bring in all of the supplies** you have purchased for your student so we can organize it for them and have it ready for the first day of school. This will help us all to avoid a lot of confusion as the school year begins for both the teachers, students, and their families!

We look forward to meeting you all at our meet and greet! If you are unable to attend, please drop off your supplies to the front office in a marked container/bag before the first day of school!

Best,

The Kindergarten Team

Miss Cottrell

Mrs. Gates

**Your child's teacher will be \_\_\_\_\_**
