

Welcome To Our Class!
School year 2020/2021
Ms. Wickham's Class - School Supply List

- 1 box of crayola crayons and/or colored pencils
- 2 packages of 12 Ticonderoga pencils
- Gluesticks (2)
- A pair of scissors
- A ruler
- 2 pencil boxes (plastic- this will be easier to clean daily) 1 will be for school supplies and 1 will be used to place your child's mask in when it is not in use.
- 1 inch binder (white)
- Dry erase markers (black)
- 1 one-subject notebook
- Plastic Folders (1 green, 1 red, 1 yellow, 1 blue, 1 optional - total of 5)
- Clorox wipes (optional- but will help tremendously)
- Headphones

Dear Parents/Guardians,

My name is Ms. Wickham and I will be your child's teacher for the year of 2020/2021. This will be my third year at Whitehall Elementary School. It is hard to believe that the school year has arrived already. I hope that everyone had a safe summer. I am looking forward to working with you and your child. I know that we have had a curve ball thrown at us this past school year and our current school year will look a bit different. I can assure you that we will be working to keep our students safe. I will be providing each student their own basket to keep their materials in. There will be no community supplies this year in our classroom to prevent students from sharing materials.

I will be working with your child within our classroom on their individual goals, tracking their progress and creating a curriculum that best fits their needs. Communication is very important to a learner's success and I am happy to speak with you via phone, email or in person at any time. If you prefer a notebook being sent home daily about your child's day/week, please let me know. I will be happy to set one up.

Each month, I will continue to send home a scholastic flyer with your child to extend the love of reading at home. I can provide reading logs to students or with our school year looking different—you may send me an email of books your child has read independently or listened to at home throughout the week. I will provide rewards/prizes for students who continue their reading at home. Reading at home and school can make a huge difference. I highly encourage it.

I am looking forward to the school year. We will do our best to keep a comfortable and safe environment during this time. You may contact me through email cwickham@railroaders.net or by phone at 518-499-0330.

Ms. Wickham
