Summer Childcare Support for Essential Workers

In the event that a family of essential workers are struggling with finding appropriate childcare for the summer months; the following information is being provided. The Southern Adirondack Childcare Network maintains a list of certified daycare providers throughout the region. Families who are experiencing difficulty finding appropriate daycare for their children are encouraged to contact the agency for a list of qualified providers.

Southern Adirondack Child Care Network, Inc.

(Covers Washington, Warren, Hamilton and Northern Saratoga Counties)
